Check your answers:

1 This is the place _____ I saw him the last time.

a. where ✓

- b. which
- c. that

Choose the correct relative pronoun or adverb for the following defining and non-defining relative clauses.

You have completed this test.

Correct answers: 9/10.

Your score is 90%.

Check your answers:

1 My sister, **who** ✓ is now living in New York, has just had a baby.

⇒ **That** can only be used in defining relative clauses (without commas).

⇒ We can only omit the relative pronoun (**who**, **which**, **that**) in defining relative clauses
