

Act 15-10-2024
López Ramos Asael Efraín

a smartphone — a paper clip — a webcam – a pencil – invisible tape

I use the smartphone to watch videos and play video games.

You use a paper clip to keep the papers together.

You use a webcam for streaming online and meetings.

I use the pencil for writing a letter and paint on my notebook.

I use the invisible tape to stick an advertisement and repair things.
